

Spring Summer 20 - Man

Mood

Meltin' of militarminism, leisure, heritage or rather "interactive fusion"

Fabrics

To face the climatic uncertainties of spring

- Two layers nylon with ultralight weight padding not quilted garments
- Cotton/nylon with special coating for rain coats
- Polyester with foil lamination or membrane for wind breaker jackets

To have the good feeling with summer

- Jersey with mesh membrane with wrinkle free finishing for packable jackets
- Light cotton twill with special finishing as quick dry and water repellent
- Cotton ready for garment washed

To be cozy –To be cool

- Polyester/nylon 4 ways stretch
- Light cotton stretch
- Tyveck and combo fabrics

Colors

Bright and intense

- Yellow, ocean blue, crossing light grey and dark blue
- Brownish, sauge green with kaki to compete the range

Styles

Jackets, trench, caban, wind breaker, pants, shirts, knitwear and large proposal of t-shirts
In more: few real leather jackets
