

## URBAN EXPLORER

Take in the possibilities of summer in the city with Lacoste's Explorateur collection. Designed to infuse urban endeavour with the best of Lacoste's tennis performance legacy, Explorateur is the ultimate companion for long days of adventure.

With the bold green croc emblem proudly emblazoned on its side, Explorateur updates Lacoste's tennis links for today. Reflective details create a striking silhouette for any time of day

while eye-catching bonded panels are a shortcut to ease and durability.

A palette of tonal blues in contrasting textures with standout lacing creates pieces primed to lend an athletic spin to a summer of city action. Meanwhile, chunky bright white soles are a reminder of sporting edge. Made to be styled with a clean-lined, laidback and athletic-influenced wardrobe, Explorateur taps into a fast-paced life where no two days are ever the same.
