

TODAY'S
TRADITIONALIST

WOOL REINVENTED

Your wool favorites are on the verge of reinvention.

The fabric you know and love is making an evolutionary shift in combination with denims, flannels, knits, suiting materials and more. These new wool blends are seamlessly providing performance benefits for active lifestyles, enabling you to make a smooth transition from work to the street while maintaining a fashion forward edge.

CORDURA® Combat Wool Fabrics -
durable luxury for the modern multi-use wardrobe.
