BERLIN

Be Edgy is a Berlin-based company that offers trendy and innovative leather jackets for both men and women. With 12 delivery drops, four collections a year and the willingness to embrace the 'See Now/Buy Now' approach, they are keen to offer the best customer service to their retail partners. Their leather products are carefully hand-finished and produced with innovation in mind in terms of dye practices, such as vegetarian tanning. Each of Be Edgy's products offers an individual look at a highly accessible price point.
